ORGANIZATIONAL PROFILE

Established in 1983, the Surrey Food Bank is a centre of excellence in food distribution, community leadership, effective and equitable policies, and a leader in the elimination of poverty in our community. The Surrey Food Bank assists low-income individuals and families who live in Surrey and North Delta by primarily providing bi-weekly food hampers to supplement client's food needs. Working towards its vision of growing the community beyond hunger, the Surrey Food Bank serves as a connection point for its clients to engage with many other organizations and services throughout our community that they would not otherwise have access to. The Surrey Food Bank partners with multiple organizations to bring awareness, education, and advocacy for its clients to help them face life's greatest challenges.

ABOUT THE ROLE

Reporting to the Board of Directors, the Executive Director is responsible for the successful leadership and management of a dynamic and growing non-profit organization. The Executive Director is responsible for the strategic direction and oversight of staff leadership, financial sustainability, fund development, and community programming and services. The Executive Director builds and maintains strong relationships with internal and community partners, including the Board, staff, volunteers, funders and donors, with a commitment to achieve outcomes that are inclusive, and mission-driven.

This is an excellent opportunity for an innovative, community driven leader who is dedicated to not-for-profit leadership and food security. The successful candidate will have relevant education, training, and/or professional development with a university degree in a related field and a minimum of 5 years of progressive leadership experience. The successful candidate will have knowledge of strategic and operational planning in combination with fund development and community engagement experience. The role requires excellent interpersonal communication and team building skills, with a commitment to building a positive and effective organizational culture. An equivalent combination of experience, education and skills will be considered.
